## HISTORY

### 25 YEARS OF HISTORY!

***Parc Astérix is the result of a wonderful story,** conceived by Mr. Albert Uderzo. Back in 1981, Albert Uderzo sought to transfer the spirit of his comic into a theme park. So he set up a team whose task was to come up with fun, off-the-wall ideas.*

#### **A GROUP OF FRIENDS WORKED ON THE STORYBOARD FOR THE PARC:**

- **Pierre Tchernia** who had already collaborated in writing the cartoons,
- **Marcel Gotlib** (the Pilote partner),
- **Roger Carel** (Astérix's voice),
- The actor **Gérard Hernandez**,
- **Fred**, poet and creator of Philémon.

#### **AT THE SAME TIME, THE FINANCING OF THE PROJECT WAS MADE POSSIBLE THANKS TO THE MEETING OF THREE MEN:**

- **Albert Uderzo**,
- **Patrice Tournier**, who worked on new real-estate projects concepts,
- **Éric Licoys**, General Manager of Barclays Bank, who knew these two men and was sure that they would complete each other. He played a key role in getting the project off the ground by helping them find shareholders.

#### **THE PROJECT STARTED OFF WITH MAJOR CONSTRUCTION STAGES:**

- **1984** : Market research, feasibility and finance studies.
- **1985** : Financing arrangements, establishing the company and designing Parc Astérix.
- **1987** : Completion of technical designs and schedule of works assigned to the company, Dumez and the contract for the management of Parc Astérix assigned to two large service providers: the ACCOR group and Générale des Eaux.
- **1989** : Opening of Parc Astérix, on April the 30<sup>th</sup> 1989.

## INTERVIEW

### *Interview with Pascal FLICHE, Managing Director of Parc Astérix.*

#### **WHAT IS YOUR GREATEST MEMORY OF PARC ASTÉRIX?**

Without a doubt, the light and sound show put on for the inauguration of Ozlris, on June the 2<sup>nd</sup> 2012.

It brought together state-of-the-art technical skills and was inspired by one of the tests in the cartoon “The 12 tasks of Asterix”: to survive the unbearable gaze of Iris, the Egyptian magician.

The idea behind this show was to retell an old story in a new way.

#### **WHAT IS YOUR FAVOURITE ATTRACTION IN THE PARK?**

The Dolphin Show which takes place in the Poseidon Theatre, as this performance allows our visitors to increase their awareness of the need to respect our marine environment to ensure the survival of flora and fauna.

This show is also a wonderful opportunity to demonstrate the beautiful story of man and these ever-smiling marine mammals, something enchanting for all ages.

#### **WHAT ARE THE MUST-SEE NEW FEATURES FOR THIS ANNIVERSARY SEASON?**

The grand opening of an exclusive world just for kids: Idéfix and the Forêt des Druides! An area where family values are united in a natural, green setting.

Following on from Ozlris, opened in 2012, which has thrilled young adults, senses will be indulged for younger visitors and families with the opening of this world dedicated entirely to them.

To celebrate its 25<sup>th</sup> anniversary, Parc Astérix is developing the attractions it offers to make them suitable for visitors aged from 3 to 99, for anyone who loves experiences, fun and a little bit of cheekiness.
